Technologies & Skills

- Typescript / React / HTML5 / CSS3
- Linux / Bash
- Fluent Spanish
- Node / NPM / Git
- Vim / VsCode / Postman / Figma
- MySql / MongoDB

Contract

Full Stack Development

DD Sparkle Cleaning [[Demo](#)]

- Applied functional programming practices with TypeScript to increase productivity and efficiency.
- Maintained high performance and high Seo ratings by utilizing Next.js' server-side rendering feature.
- Used the Email.js library to enable users to send emails to me directly on the website.

Projects

Full Stack Development

Tax Tracker

- Tax tracker's CRM improvements led to an increase in client satisfaction and client retention.
- Developed an Electron.js client desktop application to consume my Adonis.js Rest API.
- Made data models using Adonis's ORM built-in package to map out how data would be saved on a MySQL database.
- Used Axios HTTP methods to fetch data from the Rest API, and handled responses error.
- Implement the Ant Design library to make a modern and responsive Interface.

Front End Development

P'Unity [[Demo](#) | [Code](#)]

- The upgrade of Punity to a modern stack enables faster feature launches and implements an architecture more suited to collaborative development efforts.
- Built Punity's frontend with React.js and Styled Components library for styling.
- Designed UI components and pages on the Figma design tool and implemented the new features with responsive UI to provide mobile users accessibility.
- Worked and Communicated with team members weekly to discuss project requirements and progress. Collaborated on Github to maintain a codebase.

Work Experience

Business Assistant & Translator

Cherryfield Tax Service *March 2021 - Present*

- Provided bookkeeping, data entry, documentation, file organizing, and customer service [Spanish speaking included].
- Utilized Microsoft Excel to account for business clients' expenses and income and made presentable and readable spreadsheets.
- Applied my web development skills to improve the company's website to improve navigation.

Education

Brevard High School / Visual Arts & Digital Media Concentration

August 2015 - June 2019
